

Glamour 2

Product Description

A liquid varnish for print makers who prefer rolling their prints. Blendable for endlessly customizable finish options. No more tackiness while rolling- Glamour 2's twenty-four hour cure time gives large prints the time they need to rest and self-level for a streak-free finish. Extended dry time in a highly concentrated formula gives print makers the ability to dilute and adjust according to their requirements or their shop's unique temperature and humidity.
